## Tune's Notes

Last Sunday evening, I told the stories behind three of our hymns. Most hymns meant nothing to me when I learned them. They were just “church songs.” As I learned more about their background, their sentiments resonated with me more, additionally enhanced by personal experiences that made them even more meaningful.

That’s the way with music. (Good music anyway.)

Singing is specifically mentioned 146 times in the Bible. Heaven is full of it (Revelation 5:13). Jesus sang the praises of God while on earth (Hebrews 12:12) and his brother James required it of the happy heart (James 5:13). Paul urged it as a way of encouraging one another and by the way, the two texts where Paul most obviously does this are Ephesians 5:19 and Colossians 3:16 – passages often used to encourage singing in the assembly. There is no evidence however that Paul was talking about the assembly in either of those passages. What’s my point? That one of the ways God expects us to communicate His truth to each other is in song.

But isn’t that a bit weird? Singing to one another instead of just talking?

I suppose it is. But perhaps it’s just a part of being that cross-shaped counter-cultural community of the redeemed. We never were supposed to look like the world – or fit in.

Can’t sing?

I’ve met a few folks who couldn’t, but most of the time, it’s just because they never learned or practiced. If singing is to be such an obvious part of the Christian life, every one of us ought to take the time to learn to do it – and learn hymns that facilitate it. It’s not just singing. It’s the communication of the heart to God, and a communication of the truths of God to one another in a godly way.

To that end, beginning in July, one of our Sunday morning classes will be devoted to singing. We will learn to sing, learn some new hymns, and practice some old ones. The class will be led by Bill Kincaid. I plan to be a part of it. I hope you will too.

Love you all.

Mike

## Congratulations to Our Graduates

Remember  
your creator  
in the days of  
your youth.

Ecclesiastes 12:1

Today is **Senior Sunday**, the day when we honor our graduating high school seniors.

During the evening service, there will be a video slideshow about each of our seniors along with the now-traditional blessings that parents write to their graduating son or daughter.

A photo and biographical article about each of these young people can be found on p. 3 of *Family Life*, while an article can be found on p. 4.

Following the assembly, a cake and coffee/tea/lemonade reception will be held in the fellowship hall. Each student will have a designated table where you may deposit your gifts. Blue chip stocks are especially welcome this year.

# *Saying Thank You and Goodbye at the Same Time*

Our dear brother **Bob Pigg** will be moving from here July 16 to Charlottesville where he will be closer to his daughter **Barbara Link**.

A **Come and Go Goodbye Reception** for him is scheduled for Saturday, June 28, from 2 to 4 pm at the home of **Mike and Monica Tune**. Their address can be found in the green pocket directory.

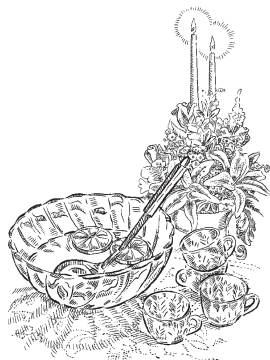

**Bob and Jewel Pigg** and their children **Barbara** and **Steve** placed membership here on June 6, 1965, 49 years ago Friday! From 1967 to 1969, he served his final Navy assignment. That is the only time he has NOT been here.

He was installed as an Elder on Sept. 15, 1966, along with a former member Robert Kendrick. Another long-time member was appointed a deacon on that day also - Don Thie.

Except for the time away from here for his last Navy assignment, Bob served in that capacity until January 11, 2009.

There are few people here who have not been blessed by this loving man.

This is an opportunity to say a heart-felt "Thank you," even as we say a reluctant "Good bye."

## **VBS Workday Coming Up On June 21**

A **VBS Workday** is coming up next Saturday, June 21, starting at 9 am.

There are **TWO** things you need to know, according to **Kelly Shumate, Director**

1. Childcare will be provided during the workday.
2. There will be coffee and donuts for those of us who function better with a dose of caffeine.

This is the time to get a head start on the planning and designing. That way, everyone has a good idea of what to do, a plan for getting it done and the materials to work with.

It avoids that "last minute" rush and those crush work sessions that are finished just before the children arrive!

Kelly, a very well-organized person, says, "There will be lots of tasks to accomplish, each requiring varying levels of skill. So, that means everyone is welcome to come and contribute."

The theme this year is "**Jungle Safari - Where Kids Explore the Nature of God.**" VBS is open to children from Cradle Roll through 6th grade.

Adults are encouraged to stay during the Friday night and Saturday morning sessions, since there will be special guest speakers for them.

## **Parents Night Out To Be Hosted by Young Adults on Friday June 20**

The **Young Adults (Professionals)** are hosting a **Parents' Night Out** on Friday, June 20, from 6:30 to 10 pm in the Fellowship Hall. Children must be old enough to use the restroom independently.

This event gives parents the opportunity for an evening to themselves while the children will have responsible supervision. **Parents are asked to sign up, using the sign up sheet on the lobby bulletin board.**

The contacts are **Keisha Citizen, Jenna Mayfield and Clark Richardson.**

A kid-friendly movie such as **Frozen** will be shown, and there will be snacks such as popcorn, fruit snacks and Cheerios, along with boxes of juice. If you don't wish your child to have such items, please pack refreshments for your child for the evening.

Two of our Elders are available after the morning assembly, in room 221 on the main level, to meet with anyone who would like prayer for special concerns.

## **UPDATE**

Regarding the progress of the court case related to the adjacent property development at the end of Peace Valley Lane, near the neighboring townhouses, the Elders, with the concurrence of the Church Trustees, reached an agreed resolution of the case after negotiations with Fairfax County and the builder. Under the terms of the resolution, the County will eliminate the requirement that the builder install a concrete device preventing left turns from Peace Valley Lane onto Leesburg Pike. The builder agreed to make a payment to defray costs and legal fees. The builder is barred from using our existing parking lot for any purpose during the property development. The builder will otherwise proceed with the development, construct the homes, and extend and pave Peace Valley Lane for access. For additional information, please contact the Elders.
