This Is Your Chance to Help Our Young People Prepare for Lads to Leaders But Please Volunteer by Next Sunday, January 1

Young people of today are the future leaders of the church, but those leadership skills can and should be fostered from an early age.

One of the ways to help young people develop their natural talents and learn leadership skills is a national program called "**Lads to Leaders/Leaderettes.**"

Through a wide variety of activities, young people learn how to speak in public - how to read scripture in an audible tone, how to lead singing, how to write and present speeches of encouragement and evangelism. They learn how to develop and use other skills - art work and puppet plays. And most of all, they learn how to learn - about God through His word.

And of course, it is both the opportunity and role of adults to assist them in that learning. And that's where YOU - the members of this congregation - come in.

This is a wonderful way to help young people acquire skills and to encourage them as they grow in the Lord.

Ken & Lesya Yeatman and Ignacio & Sandra Espinoza direct the program here at Falls Church. This involves classes, but also includes monitoring activities such as the Centurion of Scripture, which involves memorizing 100 scriptures, or helping students prepare for the Bible Bowl.

Both of these events must be completed BEFORE the L2L convention at Opryland Hotel in Nashville, TN, April 14-16, 2017.

So, if you can help a student OR if you could even attend the L2L convention - where they always need extra need - please talk to Ken, Lesya, Ignacio or Sandra, preferably by next Sunday Jan. 1. That's when the preparations - both for the pre-convention events and also for the plays and art work and music composition for the convention.

Merry Christmas from the Falls Church Family
